

# STORETON HALL

## THE WIRRAL

### INTRODUCING OUR PREMIER SPECIFICATION

#### THE ANCIENT MONUMENT

For over 30 years the P J Livesey group has specialised in creating contemporary living spaces, effortlessly combining some of the nation's most striking historical settings with stunning newly built homes.

Storeton Hall is situated within The Wirral is a shining example of the group's ongoing passion, experience and expertise in this field.

The detail and fittings within this specification have been carefully selected to ensure that the highest quality and design of each item are consistent with the excellent standards of spacial design, which the company works tirelessly to maintain.

In addition to the 'Premier' specification there are also a number of optional extras available at an additional cost. Please see our Fixed Priced Upgrade menu for more information.

#### NOTES

I See our separate dedicated COLOUR PALETTE section for further details regarding the Bianco, Grigio and Cashmere colour palettes

II In some cases, a build under double oven will be supplied.

III In properties with a dedicated utility area, a separate free-standing washer and dryer will be supplied and the integrated washer dryer will be omitted from the main kitchen layout

IV Upgrading to any chargeable optional extra is available only if procured at an early enough stage of the build program to accommodate the works

VI 'Principle rooms' refers to hallway, kitchen, lounge/dining room, master bedroom and study if applicable

The Premier Specification is applicable to The Ancient Monument.

Please note: We continuously monitor the quality of products on offer and reserve the right to amend features, layouts, specification or finishes (internal or external) at any time during the planning/build process. Client choices and upgrades are subject to the build programme. Materials and products are subject to change dependant upon supply availability and any formal planning or other restrictions. Consequently all the particulars should be treated as general guidance only and cannot be relied upon as accurately describing any of the specified matters prescribed by any order made under the property Misdescription act 1991. Neither do they constitute a contract or warranty of any sort. Customer requests for alterations to the specification cannot be considered at any stage. Specification document updated on the 9th of April 2018.
